Summer 2008
Headmaster: Albus Dumbledore
(Order of Merlin, First Class, Grand Sorc., Chf. Warlock,
Supreme Mugwump, International Confed. Of Wizards)*

Dear M ,

We are pleased to inform you that you have a place at Hogwarts School of Witchcraft & Wizardry; Summer Term. You will find that the usual list of necessary books & equipment is not enclosed within. This term the focus of your schooling is to be Muggle Studies. Most items needed cannot be found at Diagon Alley, therefore your Professors shall let you know if there is something you need from a Muggle shop. I hope I need not remind you to behave appropriately when out amongst the Muggles.

Summer Term uniform requirements:

- ~ White shirt or blouse: a collar is a must, buttons optional.*
- ~ Tan pants. Also acceptable are shorts, skirts, clam diggers, or capris.*
- ~ School necktie. This is a recommended part of the uniform, but if budget does not allow, students shall not be reprimanded.*
- ~ Accessories: vests, scarves, jackets, etc of School or House as befits the occasion & weather are permitted.*

Term begins on 10 June. We need no Owl to confirm your space. Mr. Weasley & myself have managed, after years of trying, to charm Muggle computers. Your homes have been connected to the Floo Network via the gas flames of your stoves, & sometime this week, your parents shall be contacted by Mr. Weasley. There he shall explain to them what need be done. Once your Muggle computers have been successfully charmed, we will then be able to use them for all school/home correspondence.

As pleased as we are to use Muggle technology to improve contact with Wizards living in the Muggle world, we are a place of tradition. It is because of this that you need not remove your Owl Post sign. All school/student correspondence shall still be conducted thusly. Please check that your sign is in good shape, & that your Owl Post vessel is free from spiders.

Yours sincerely,

*Minerva McGonagall
Deputy Headmistress*
